CLEANING

Cleaners for the weekend of May 19th are: Standke (x3)

* * Cleaning right after school on Friday or the last day of school for the week is the best time to complete cleaning duties. If this truly does not work for your schedule, you can get a key for the building. Please pick up a key from the office prior to the close of school on the last day of the week. Please return the key to the office when you are finished cleaning. The cleaning supplies are in the closet, kiddy-corner from the kitchen. There is a list of duties with numbers next to them and a list with the names of the families who are to clean. When you have completed the list of jobs you chose, put the number of that job done next to your name. This way, other teams will know which jobs are already completed and we know who has done their cleaning responsibilities. You will be notified of your week to clean through this Cleaning Rambler article, and there is a copy of the year's cleaning sign up sheets in the Fast Direct System under the LINKS tab. If you are unable to clean on your weekend, it is **your** responsibility to exchange your weekend duties with another family or contact the office to see if there are any open slots left if you want to be credited the \$40.00 cleaning fee. Thank you.

CHAPEL

Pastor Lauersdorf is this week's chapel speaker. Chapel begins at 8:10 on Wednesday morning. Please join us for this worship opportunity if you have the chance.

Last week's mission offering totaled \$82.90 This was the seventh offering for the fourth quarter and brings the quarter's total to \$532.95. The mission project this quarter goes to Kettle Moraine Lutheran High School.

SPRING THING

This year there were no technological issues taping the show. If you would like a DVD of either performance, please fill out an order form which can be found in the office. The cost per DVD is \$1.00.

REGISTRATION ENVELOPES

Each family should have received an envelope with all the forms and documents for registration for next year. Please complete the appropriate forms and return them to school. Please return the forms in the same envelope they came in. Your timely response is a great help in planning for next school year.

A Parent's Guide to 13 Reasons Why by Elizabeth Robinson, LPC

Since it was released on March 31, the Netflix show *13 Reasons Why* is sweeping through the world like wildfire. Even if your teen hasn't watched it, their friends probably have—and it is affecting them deeply. Parents, schools, and churches are wondering how to address the issues raised in the show and what its impact is on our teens. It raises more questions than it gives answers. Although it is impossible to touch on all the issues raised by the show, counselor Elizabeth Robinson addresses several of them in this blog, along with the mental health aspect that the show doesn't touch on and the Christian aspect of hope we can find in God's Word.

Here is a link to this blog posting that may help you deal with the issues raised in this series:

SUMMER CLEANING

All Good Shepherd parents/families **INCLUDING preschool, kindergarten and graduating eighth grade** families are responsible for this "clean up after our-selves" duty. There is an information sheet with the dates and times available attached to this Rambler.

CANDY SALE

The end of the year candy sale will take place on Wednesday, May 31st from 1:00 p.m. to 2:45 p.m. This is the candy that is left from concessions. Most candy will be \$1.00. The candy will be sent home with the children. Thank you to Jaclyn Haeuser for facilitating this!

GOLF OUTING

As of today, we are 18 days away from our First Annual Rams Open. Attached is the flyer for the golf outing. Please get your form and fee in as soon as possible. Golfers are offered a "Hole in One" contest for full ride to KML (rules apply). Not a golfer? Come to the meal and auction! Also, please note that this is not a "couples thing" - it will be fun to socialize with everyone. We have some great prizes for the auction and drawings. If you would like to donate an item or gift card to go in a prize basket, please bring to the office as soon as possible. If this outing is successful, we would like to make it an annual event and forego any direct sales in the future. Thanks for supporting your school!

BUBBLERS

After paying for the bleachers, we were still able to afford the purchase of two bubblers (with water bottle refill) for school. A huge thank you to Doug Stern for donating his time to install them. Look for those for the 2017-18 school year!

THANK YOU

My time as GOAL Chair is coming to an end. As of the August meeting, your new GOAL Chair will be Amy Rollmann (thank you, Amy!) The Lord has definitely blessed our efforts during the past three years. Working alongside Rachael Kreis, Jaclyn Haeuser, Lee Amundson, Dana Scheunemann, Mrs. Rau, and the many parents who have volunteered has been so much fun! Please consider getting involved in your school. Together we can accomplish much! Bleachers, uniforms, bubblers, upgrades to classrooms, etc. takes a team effort. Your kids learn to have a heart of service from you - show them how good it feels to give back, especially to the Lord's ministry. God's blessings to Good Shepherd School.

3K AND 4K NEWS

This week the four year olds are learning about when the disciples were waiting for the Holy Spirit. The three year olds are learning about how Jesus blessed the children.

The children did a wonderful job singing on Mother's Day. Thank you for bringing them to sing in church.

This week we are studying the letter "Y".

We will be making a piñata for the end of the year party. If you have any candy or small toys (McDonalds or any other toy) which you would like to share please bring them to our classroom. You will be receiving the end of the year party invitation later this week.

If your child's birthday is during the summer months and you would like to bring in a special treat for them, you are welcome to do so. We only have a little over two weeks left of school.

No school this Friday, May 19th.

Olympic day is Friday, May 26th. Please have your child wear comfortable running shoes of this special day.

MRS. PAUSTIAN'S PENCIL

Many thanks for the cards, gifts and well wishes I received this past weekend! It was very enjoyable to celebrate my 25th teaching anniversary with you all!

We have a short week with no school on Friday. Please send in the book bags on Thursday this week. Thanks!

Please practice the memory treasures that go along with our ChristLight lessons of Pentecost this week.

Please make sure the children are getting enough sleep and are eating breakfast. We need our brains to be in good shape for learning!

See you at church!

HAGEDORN'S HERD

The Mother's Day/Mrs.Paustain's Anniversary service was beautiful! Thank you for bringing your child to sing their praises! And thank you to Mrs.Paustian for her years of teaching God's lambs!

This week, for ChristLight, we hear the stories "The Man Who Could Not Walk" and "Peter Tells the Enemies About Jesus." Through these stories we see how Christ's disciples confess him boldly. In Math, we are finishing our unit of study on measurement. We will be beginning a new chapter on Data, Graphing, and Probability tomorrow. We are wrapping up our study on farms. We finished writing and illustrating our own book on what we learned about the job a Farmer has. This week, we are presenting them to the class. We now have started to research and record information on a farm animal the children have chosen to learn more about. We will have a library day on Thursday to change out the books in our book bags. Please, have all book bags here on that day.

God's blessings on your week!

FIRST GRADE FINDINGS

Our Bible lessons for this week are "The Man Who Could not Walk" and "Peter and John are Arrested". We are back to having memory work T-W-TH-F. This will continue till the end of school.

Thank you to all the wonderful singers who came to praise the Lord this past weekend. May you all continue to praise God with singing all summer long!

Tomorrow, Wed., your child will be bringing home their book. They will read The Big, Big, Sea. Since there is no school on Friday, May 19, **the story extension will be due by Thursday, May 18**. Please make note of this change!

Library Day is Wednesday. Please make sure to return the book your child check out last week. If your child has returned his/her book, they will be allowed to check out another book. Please return it before or by next Wed., May 24. This will be the last time the children are allowed to check out library books for this school year.

This Wednesday, someone from Liam K.'s family will come and read some of their favorite stories. Thank you to all the families who signed up to read to the first graders this year.

"We cannot help speaking about what we have seen and heard." Acts 4:20 (NIV 2011)

MRS. BIESTERFELD'S BULLETIN

Thank you for bringing your child to sing over the Mother's Day weekend. It is always a special time to hear the children sing their praises. They did a beautiful job!

This week is a short week. We do not have school on Friday. Enjoy the long weekend.

Here's what we are learning this week:

- In our Christ Light lessons we see that Satan's persecutions can't destroy God's church. We trust that Jesus will give us the courage and help we need to share the Gospel with others.
- In math we are adding and subtracting 3 digit numbers with and without regrouping.
- The vocabulary words this week are: loaf, nominate, occupy, and queasy.
- The reading books came home today. Please listen to your child read the nonfiction story "Ruth Law Thrills a Nation".

Enjoy God's blessings this week!

GREETINGS FROM GRADE THREE

Thank you for bringing your child to sing in church on Sunday, and throughout the entire school year. I have really enjoyed singing with these children. They sing with such joy in their hearts. I pray it continues.

We finally finished our MAP testing. The children did well adjusting to this new testing format. Thank you, Mrs. Braun, for all your help.

Our class trip to the Milwaukee Public Museum is finally here! The children are so excited! We will be leaving at 8:50 and returning by 2:30. Thank you to the ten parents and grandparents who are able to join us. I hope you read the information letter carefully about the clothing, lunch, and money for the gift shop. I will send the information home again, if you request it. As we ride down to Milwaukee the children may want to munch on a little snack. Please make sure it is in a disposable container, **and do not send along any liquids.**

I failed to mention last week that Nicholas Pieper was our April Reader of the Month. Congratulations, Nick, on a job well done. A few more children have to complete the required reading for May. I am asking that these book reports be finished by Thursday, May 25. Please ask your Third Grader how many reports they have left to hand in.

Please remember that we have no school on Friday, May 19, Ascension is Thursday, May 25, and Olympic Day is Friday, May 26. Speaking of Ascension, the Children's Choir will be singing for this evening service.

As we wind down this school year, please check your homes for any Third Grade Library books that may have found their way in a bookshelf, closet, cupboard or under a bed, and return them to school. Thanks for checking.

Our memory work for tomorrow is **Hymn 183, Holy Spirit, Light Divine, VS 1,2+3. Have a blessed week in the Lord.**

MRS. MEHLBERG'S MEMO

Students took the MAPS test for math on Monday. On Wednesday we will take the reading test. Students can best prepare by getting a good night's sleep and eating a healthy breakfast.

The singing in church last weekend was beautiful. Thank you for praising the Lord with your voices!

We plan to test on chp. 10 in social studies on Wed. We will review in class, but students also should review their outlines and the textbook.

In our health unit we will be studying the stages of life. Please send a baby picture of your 4th grader to school by next Monday, May 22. Send the picture in an envelope with the name on the back of the picture. We will display them on a poster and have fun guessing which photo goes with which classmate. The photos will be returned to you.

Our butterfly habitat is full of beautiful painted lady butterflies flying around. It has been fun to observe the life cycle of butterflies.

Please note the permission form for our final field trip to a dairy farm. It was sent home Monday. I hope many of you can join us!

Enjoy a day off of school on Friday!

BRAUN'S BABBLINGS

Happy Mother's Day: Thank you to all of the moms for all that you do! I hope you all had a blessed weekend!

Permission Slip: A permission slip for our Skyzone field trip is going home today. Reminder, we are looking for parents to drive. Along with the permission slip is a waiver for Skyzone. Complete the entire waiver and return it along with the permission slip and fee by next Tuesday, May 23rd.

WORDS FROM MRS. WILK

Thanks to those who sang for our worship on Mother's Day weekend. Hopefully you received the letter your child composed about how important you parenting is to them. Moms, I didn't edit their work, but I enjoyed reading the content. In a month where they are the spotlight with confirmation coming up and a bit later the graduation, I wanted them to focus on how they got to this point in their lives. God's blessings to you, Moms, as you continue leading them spiritually into eternity.

I thoroughly enjoyed watching our alumni use their musical gifts not only on Wednesday night at the Echoes and Jazz concert but also at the percussion concert on Saturday night. A number of seniors are leaving; it's so great to see them leading and mentoring future performers. We are blessed with excellent directors at KML!

As you purchase your attire for confirmation and graduation, please keep our dress code in mind. Parents, please do not allow your girls to wear uncovered spaghetti straps, backless dresses, or too short of skirts. Modesty is always best for these occasions. Thank you in advance for your cooperation.

Thank you who ordered books this year. Many books are added to our classroom library for your child to possibly read due to Scholastic points earned by patrons. If your child has borrowed books this year, please be on the lookout for them and encourage your child to check the car, under the bed, near the couch, and wherever good reading spots are available so that they can return the books to school. We want other children to have the privilege of also reading them.

Prepare for a twenty-word spelling test this week on chapter 15. I've been keeping students posted on their spelling average. As I wrote before, a stellar grade on the 300-word test is encouraged.

Seventh Grade

All the plays were read and graded this past weekend, and performances begin on Thursday. I hope the students both enjoy performing their work as well as working with their fellow playwrights.

Sixth Grade

In this week's one Christ Light lesson we focus on how the Holy Spirit enabled past Christians to endure persecution. God will not allow his church to be destroyed. I pray that my students will always confidently cling to their Savior in faith when struggles come their way and that they share the love of Jesus with others.

The math unit we began last week deals with measuring solid figures. Plan for a test on May 23.

Thank you for joining me in reaching out with God's word so that we can educate, encourage, and equip our children for life on earth and for bliss in heaven.

A WORD FROM THE PRINCIPAL

It is hard to believe that only a few days remain in this school year. Time passes more rapidly each year. What kind of year has it been for your family, your children?

I pray that you have had a year filled with blessings from the Lord. I pray that your children have learned to know Jesus, their Savior and ours, more closely. I pray that all of us have learned to take our cares, worries, and concerns and leave them in the hands of a loving, heavenly Father who promises to make all things work for our good. I pray that your children have grown spiritually, academically, emotionally, and physically. I pray that the Lord has blessed your entire family with his gracious love and tender care throughout the year. I pray that he will keep all of us close to him until we join him in heaven for eternity.
